What Our County Has to Offer!

OUR MISSION & RESPONSIBILITIES

To provide accurate data and context to help County leaders make better decisions; to inform residents about their government through transparency and innovative technology, as well as kind, efficient, and thorough service.

The Auditor's office is responsible for managing the county budget, purchasing, and accounting functions. Other duties include conducting bid openings; auditing County government departments; and training staff throughout the county on financial policies, procedures, and other practices as well as administering property taxes.
